# ...silver and bronze

Three service contracts from Raycanter designed to prevent downtimes, without costing the earth.

## BRONZE

Providing you with the confidence & satisfaction that the press is being regularly oiled & greased every three months. Reducing friction between moving parts which will keep wear to a minimum. This in turn will help to reduce unscheduled down time.

From as little as £55.00 + VAT per month

## SILVER

Full mechanical service of the press including the cleaning & checking of ink ducts, plate clamps, air pump & grippers throughout the press. This service also includes oiling & greasing of the complete press, plus the removal & resetting of all rubber rollers

From as little as £30.00 + VAT per month

## GOLD

Providing a complete package, Full mechanical service at start followed by oil & grease at three months. Interim mechanical service at six months & a further oil & grease at nine months. Package also includes once yearly electrical check of motors & compressors.

From as little as £77.75 + VAT per month

## faxback

Complete the form on the reverse and **faxback** your preferred service option. We will contact you with information on how to set up the contact.
